

REMARKS

In the Office Action mailed on March 8, 2010, the examiner objected to wording in Claim 7 requiring that such wording be deleted, and advised that previously withdrawn claims should be cancelled to enable issuance of a Notice of Allowance on the pending claims. By way of this amendment and remarks, the Applicant believes that it has addressed all issues raised by the examiner and respectfully requests the claim objection be withdrawn, enabling a Notice of Allowance to issue.

The Applicant has deleted the objected-to wording in Claim 7 and requests that the objection to this claim be withdrawn. The Applicant has also cancelled previously withdrawn claims, but reserves the right to file these claims as part of a divisional patent application.

The examiner is invited to contact the undersigned with any inquiries regarding this submission.
